Report of the President Henry G. Gyden

I am honored to serve as President of the George Edgecomb Bar Association ("GEBA") for the 2011-2012 Bar Year. GEBA has made tremendous strides in its initiatives during the prior year, and this year will hopefully be no different.

It is my hope that this year, along with our traditional programs, GEBA will accomplish the followings:

- Continue to explore new funding sources for GEBA's programs, including obtaining grants and corporate sponsorships
- Increase Membership in GEBA
- Expand GEBA's offerings to the community, including increasing the number of legal aid workshops during the year
- Highlight the professional and personal achievements of GEBA members
- Increase attendance at the GEBA Banquet
- Increase our services to GEBA's members

Thank you all for your support and commitment to GEBA. I know we will have another great year!

Henry G. Gyden
GEBA President 2011-2012
